A group of people are camping by a river at dusk. A large, gnarled tree stands on the left bank. In the foreground, a fire burns brightly on the sandy bank, reflecting in the water. Several people are sitting on the bank near the fire. The sky is a deep blue, and the water is calm. The overall scene is peaceful and scenic.

# 60 YEARS OF AFRICAN SAFARI EXPERIENCE

# We Know Africa We Know Adventure

With 60 years of authentic safari experience, we have the ability to make your dream safari a reality. We have become renowned for our meticulous safari planning as well as our passion for wildlife, cultural heritage, adventure and exploration.

Robin Hurt Safaris is in a unique position to offer you our private wilderness areas in both Tanzania and Namibia as part of any safari itinerary. The freedom and privacy of the areas creates a more intimate and enhanced experience of Africa and its diverse nature.

A safari with Robin Hurt Safaris involves the most comfortable camps under canvas or exclusive safari lodges. Whether you're driving across the savannah, dancing with the Masai, galloping with giraffes, or peering into an active volcano by helicopter, you will become immersed in the adventure, discover the lore of Africa and acquire a deep cultural understanding of its inhabitants.

# A myriad of adventure awaits African Adventure Safari Destinations

Each safari itinerary we work on is tailor made to suit the time of year and interests of each of our clients. We can offer an entire safari in one country, or show you the best of East Africa or Southern Africa in 10 or 14 days or even longer. With our years of knowledge and experience we know exactly where to go and when, giving you a truly memorable adventure of a lifetime.

# Kenya

Think of Africa, and you're probably thinking of Kenya. Vast savannah and horizons stretching into eternity, or snow-capped mountains almost within sight of harsh deserts.

# Tanzania

Known for its vast wilderness areas, Immerse yourself in the great wildebeest migration across the Serengeti. Climb Mount Kilimanjaro or enjoy a private cultural experience in our Lake Natron Area.

# Rwanda

Rwanda is known for its mountains. The majestic Virunga volcanoes and their bamboo forests are home to some of the world's last remaining mountain gorillas.

# Uganda

A country whose diverse landscape encompasses the snow-capped Rwenzori Mountains and immense Lake Victoria. Wildlife includes gorillas, chimpanzees as well as rare birds.

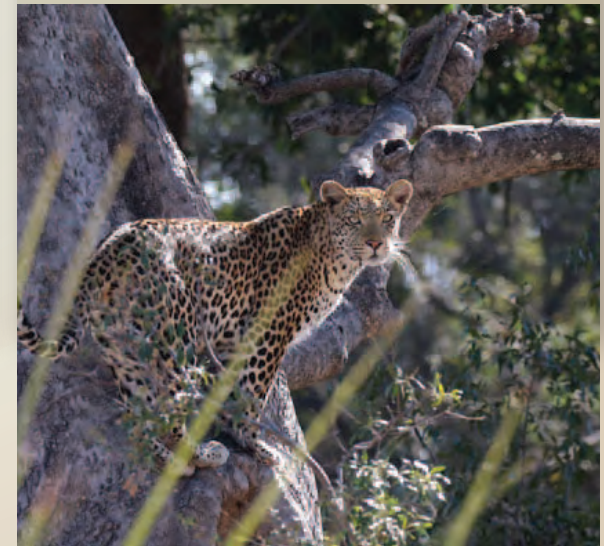

# Namibia

Few places can match Namibia's sheer beauty and dramatic landscapes. Climb the vast sand dunes at Sossusvlei, or explore the Skeleton Coast by air. Enjoy the private wilderness of Gamsberg.

# Botswana

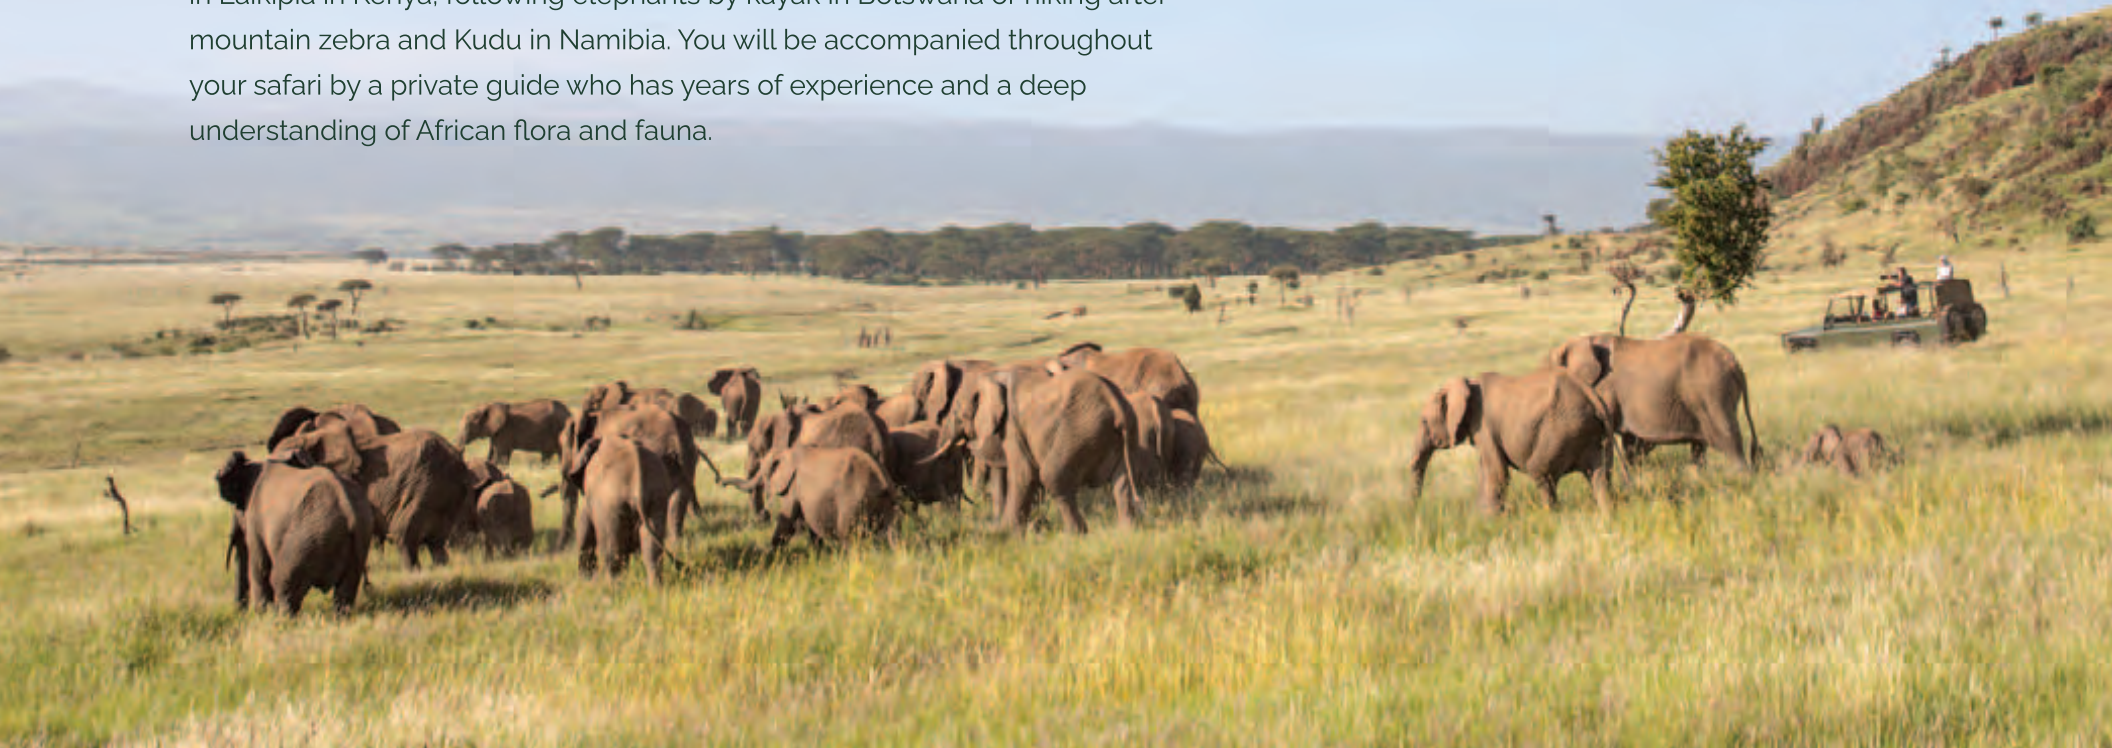

Blessed with some of the greatest wildlife spectacles on earth, Botswana is one of the great safari destinations in Africa. There's nowhere quite like the Okavango Delta.

# Wildlife & Culture

## Unforgettable African encounters

We create unique, personally tailored safaris across the whole of Africa. Using our decades of experience, we can take you to the most spectacular wildlife destinations and often combine several African countries into one adventure. We will make sure your wildlife encounters are unforgettable and private. Whether you are Gorilla trekking in Rwanda or Uganda, viewing Rhino on foot in Laikipia in Kenya, following elephants by kayak in Botswana or hiking after mountain zebra and Kudu in Namibia. You will be accompanied throughout your safari by a private guide who has years of experience and a deep understanding of African flora and fauna.

## Authentic interactions

Our interactions with African tribes are truly authentic and off the tourist track, where you will see cultures that have not changed for centuries. Whether visiting a Massai manyatta, where you might perhaps be brave enough to sample some traditional milk and blood, or watching the Samburu bringing their livestock to the "Singing Wells" in Northern Kenya. We can also arrange a one of a kind experience. Whatever you choose, we guarantee it to be an informative insight into African cultures and ways of life.

# Safari Accommodation

African nights out under the stars

We can offer a combination of traditional tented camps and the most luxurious and exclusive lodges across Sub-Saharan Africa. We recommend the best of both worlds, combining a bit of lodge luxury and some closer to nature Africa under canvas.

# Adventure Safaris

A unique edge to your African travels

Our adventure Safaris are Ideal for a group of friends, families travelling together with children or couples who would rather a more active safari. We believe that exploring Africa by various means, is far more enjoyable than just bumping along in a car on a game drive for days on end. We want to keep every day fresh and exciting.

If you are fit and enjoy adventure then one day you might want to go e-biking across a wildlife conservancy. Trekking with camels across the Ndoto Mountains in Northern Kenya.

Quad bike expeditions down century old elephant routes along sand luggas. Galloping alongside Giraffes on horseback. A scenic flight along the Skeleton coast. A boat trip through the Okavango Delta. Trekking to see Gorillas in Rwanda or Uganda. Fishing on Mount Kenya or at Murchison Falls. Hiking in the mist forests at the top of a mountain.

These are just a handful of the many personalised experiences we can offer as part of your safari itinerary.

The image shows two blue helicopters with yellow rotor blades flying over a vast, golden desert landscape. The helicopters are positioned on the left side of the frame, with their shadows cast on the ground. The sky is a mix of light and dark tones, suggesting a hazy or overcast day. The overall scene is one of adventure and exploration.

# Africa from above Safaris by Air

We feel that the crowning glory of any adventure safari is by helicopter. It is one of the most magical and exhilarating ways of seeing Africa. Being able to access areas that you can't by either land or foot. We organise helicopter safaris throughout sub-Saharan Africa. Our tailor-made adventures cover wild and vast landscapes, following the most scenic routes and touching down spontaneously to take in magnificent views. We combine geographical wonders and nature for a truly amazing and unforgettable safari experience.
